

# What's in your "Real Fruit" Smoothie?

Artificial Color?

Preservatives?

Artificial Flavors?

## Dr. Smoothie Brands®

1730 Raymer Ave., Fullerton CA 92833

**The Problem:** Are you serving smoothies with artificial colors & preservatives? When was the last time you read the label? Research shows that artificial food dyes are linked to cancer, hyperactivity, allergic issues, behavior problems and impulsivity.

**Your Solution:** Did you know that Dr. Smoothie's 100% Crushed® whole fruit smoothies are the healthiest on the market. We don't add any artificial colors, flavors or preservatives. Each 20oz smoothie contains 5 servings of fruit.

Watch your sales grow by serving 100% Crushed. Give us a call today and make the switch!
